- May 19: Clubs End
- May 20: JS Prom
- May 22: All School Assembly
- May 24: ES – SPTC
- May 26: Graduation Ceremonies

# Admin notes

Things are progressing smoothly as we enter our last 4 weeks of school for his school year. G12 students are busy with their IB Diploma exams, and we are enjoying events that showcase our student achievements in many areas, such as Art Week this week! We enjoyed an Arts Week opening on Tuesday with performances and snacks made by students, a number of dance and musical performances at ELO Assembly on Wednesday, and our Music Concert is planned for tonight at 5-6pm! Congratulations to all students and teachers involved in celebrating our artistic talents this week!

With so many events occurring this month, I am sure your households will be rather busy until the end of school. Please continue to support your children to be organized, and ensure they get enough sleep so they can be at their best as they complete end of year assessments!

I look forward to seeing as many of you at our PTA coffee next Wednesday. Please be reminded we have no school next Friday, as the teachers will be using that time for a full day of in-service work.

Have a great weekend!

**Dr. Gwyn Underwood,  
Superintendent**

# Sneak Peak (Kinatarkan)

Several months ago, the upper elementary students began learning about desalinators and started constructing them during Week Without Walls. From here, due to the commanding construction, the Environmental Club and a couple of students from Grade 5, as part of the Exhibition, decided to take over the project. Each group worked in conjunction with representatives from Cordaid to construct the desalinators. On April 26, the desalinators were donated as a gift to community members of the island of Kinatarkan, Bantayan by Cordaid representative and CIS parent, Anat Prag. The government officials of the Santa Fe municipality and province of Cebu were very appreciative of the gift from the students. With the desalinators being mostly constructed by students, the hope was to inspire and motivate families in the area to construct their own desalinators. The event as a whole also highlighted the critical water deficit of the island and hoped to make a positive change in water availability and strategies to protect water for members of the island community.

***Karissa Thompson, Grade 4 Teacher***

# Final Mime Kinder

Thank you, Ms. Stef for sharing your knowledge, time, and talent with us. The kinder students said they really enjoyed the workshop. They applied the techniques they've learned from you in the mime presentations that they are working on. We'll invite you over once they are ready to present.

**Ms. Maureen Juanson, Kinder Homeroom Teacher**

# Message from our Dane Interns

Sadly it's time for us to return to Denmark after six wonderful weeks at CIS. Six weeks ago we arrived at the gates of CIS, with no idea of what to expect. We walked in and found Maiké who we had made the arrangements for our internship with. Through our six weeks, we have had tons of new experiences. From a teacher's point of view, we thought this internship would be more of a cultural experience, but we really learned so much from the great teachers at the school. The values of CIS and the way they teach is much similar to what schools in Denmark intend to do. Therefore we feel really confident going back to Denmark with a bag filled with new teaching tools. A big thank you needs to go to the teachers and the pupils at CIS for being so welcoming and helpful to us. And special thanks to the wonderful and funny kids in fifth grade and their teacher Mr. Chris for supporting us in every way. We couldn't have wished for a better internship!

Tak for nu - big warm hugs from **Tine and Nadia**

## CIS PTA Coffee Morning

Greetings parents!

Please plan to attend the PTA Coffee Morning next Wednesday, May 10 at 7:30am in the Canteen Annex. We will be holding elections for PTA Board officers for the 2017-2018 school year.

Homeroom parents: Please be advised that any leftover classroom funds may now be used towards an end of the year party. This practice will be discussed and revised for the upcoming school year.

Have a great weekend everyone! See you at the elections.
