ACTIVITIES & COMMUNITY SERVICE

Involvement in extra-curricular activities and community service is an important part of a CIS student's life. The school requires all students to participate in our extensive after school activities program, which offer an outstanding number of clubs and teams offering a variety of cultural, service, arts and sports activities.

CIS is also a member of the International Schools Activities Conference (ISAC), where students regularly participate in sport tournaments with other ISAC member schools, and all students take part in an annual Activity Week program, which involves group travel and activities in the region.

Furthermore, CIS facilitates student participation in events with other international school students within the Philippines, as well as internationally throughout Asia, such as various MUN (Model United Nations) summits.

CIS ASSESSMENT PHILOSOPHY

CIS strives to develop well-rounded global citizens. Assessment focuses on the whole student, not just academics. Teachers, students, parents and administrators—are collaborators in the assessment process.

Assessment is meaningful and provides opportunity for reflection and is designed for learning. The goal is for assessment to be an honest and productive experience that promotes life-long learners who believe that a positive attitude is key to success, and who are motivated to take responsibility for their education.

GRADUATION REQUIREMENTS
